

Back to School Kit 2014

BIMBADEEN HEIGHTS PRIMARY SCHOOL IS DIGITAL

We have introduced another 'tool' to help with school communication – tiqbiz. This application will send instant messages directly to your phone or other mobile devices, alerting you to school notices, arrival times for buses returning from camps/excursions etc, and copies of school newsletters.

Enclosed in this 'Back to School Kit' is a tiqbiz brochure. This outlines the uses and instructions for how to download tiqbiz to either your PC, Ipad/Iphone, Android phone or tablet. When installing and selecting your child/rens year level, please remember to select 'ALL STUDENTS' as well as the appropriate year level/s so that you can receive school newsletters etc.

Tiqbiz also offers tech support for all parent/guardians. Contact details are listed on the brochure. Please keep this brochure somewhere handy for easy reference (e.g. fridge).
