Dear Parents,

On Monday we depart on the Phillip Island Camp. Here are a few reminders to bring to your attention.

- Students are expected to arrive at school on Monday 29th February at 8.45am for a 9:00am departure.
- Students report to their classroom teacher along the fence near the BER.
- After they have reported to their teacher, students should place their luggage beside their designated bus, and wait until a teacher tells them to get on the bus. Hand luggage should stay with the student. If it is raining we will assemble in the BER.

**Coach One:** 5ML and half of 5MF  
**Coach Two:** 5MV and half of 5MF

- If your child requires medication, please provide written instructions (green medical form) and place the medication in a named plastic container or strong snap-lock bag. Hand these to Mrs DeGraauw before departure. **Phillip Island Coastal Discovery Camp** is surrounded by grass so **if your child suffers from hayfever/pollen allergies, please provide appropriate medication.** We are only able to administer medicines (eg eye drops, Panadol and anti-histamines) if they are provided. Inhalers should be carried if needed.

- **A SunSmart hat is essential.** Students are expected to wear their school hats. Please remember to **pack them in your hand luggage, not in with your main luggage.** Please wear appropriate clothing. All tops should have sleeves; singlet-style sleeveless tops can not be worn outdoors as they offer no sun protection. **Don’t forget to bring some sunscreen and remember to bring a drink bottle.**

- Students require **morning tea, lunch and water bottle** for the first day. Please ensure that these are packed in a named backpack. Please do not pack lollies, as students are not permitted to eat on the coach, and once at camp students are not permitted to have food in their cabins (including lollies).

- Students do not need money on camp (there are no shops).

- Students will be responsible for packing their own belongings for the return journey.

- Students are **not** permitted to bring Game Boys/MP3 players/i-pods or other electronic games. They may bring books to read or card games such as UNO cards or regular playing cards.

- Students are **NOT** permitted to bring mobile phones on camp.

- Please ensure that your child **does not bring any products in aerosol cans** (e.g. deodorants or hair products). Roll-on products, creams or pump-pack sprays can be brought instead.

- Our expected arrival time on Wednesday 2nd March is **approximately 3.00 pm.**

**Please do not park in the bus areas on Monday or Wednesday.**

Thank you,

Matt Laws, Michelle Franks and Melissa Veysey
