**PARENT INFORMATION NIGHT - MONDAY**

These important meetings will be held next Monday evening February 22. The sessions are scheduled so that families with children at different year levels can get to each of them. The Year 3/4 sessions will run from 6:30 to 7:00pm in three different classrooms. (Parents of Mrs King and Mrs Bomford’s class will meet in Room 12. Parents of Miss Barnett and Mrs Troschke’s class will meet in room 15. Parents of children in Mrs Egan and Mrs Rountree’s class will meet in room 7 and parents of Miss Cook and Mrs Gange will meet in room 17.) The Year 1 and Year 2 sessions will run from 7:00 to 7:30pm in each individual classroom. The Year 5 sessions will run from 7:30 to 8:00pm in the three Year 5 classrooms and the Year 6 session will also go from 7:30 – 8:00pm and will be a combined session with all teachers in the middle area of the BER building.

We encourage all parents to take advantage of this opportunity to meet your child’s new teacher, visit their classroom and hear about the procedures, expectations and program for the year as well as make an appointment for a personal interview at a later date with the teacher if you would like to do this.

**BACK TO SCHOOL KIT**

Thank you to all those parents who have returned the many forms that were sent home last week in the Back to School kit. If you have not yet returned the forms please do so as soon as possible so that our records are as accurate and up to date as possible. If you are unsure about any of the information please do not hesitate to contact us.

**STUDENT ACCIDENT INSURANCE AND PRIVATE PROPERTY BROUGHT TO SCHOOL**

Parents and guardians are reminded that the Department of Education and Training (DET) does not hold accident insurance and parents/guardians are responsible for paying the cost of medical treatment for injured students including the cost of ambulance attendance or transport. There are student accident insurance policies available for parents from commercial insurers. We do not make any recommendations on these policies and parents are encouraged to find a suitable personal accident insurer in the Yellow Pages or online. Similarly the DET does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.
Please be assured that we will take all care should a child bring a particularly valuable item to school however we cannot be held responsible. If a child has to bring a phone or other valuable items to school we ask them to hand them to the teacher or the office for safer keeping than just in the child’s school bag. We have a Bring Your Own Device (BYOD) iPad program in Year 6, (that will be offered to Year 5 students later in the year after they have had the 1:1 iPad program in their class). To keep these valuable items safe the policy and practice with iPads brought to school is that they must be put inside the classroom as soon as they arrive in the morning and are put in their tubs or on their table. The iPads are not to be taken outside until the children leave at the end of the school day.

SPECIAL RELIGIOUS INSTRUCTION

In the last newsletter, two weeks ago, I wrote about changes to the way Special Religious Education was to be delivered in government schools. I am required to determine the views of the school community on this topic and as such, a survey was included in the newsletter for parents to complete and return. This survey is due back on Monday, February 22, and another copy is included elsewhere in today’s Blaze. Thank you for your input into this.

SCHOOL COUNCIL ELECTIONS

After the call for nominations for vacancies on your School Council the following nominations have been received;

As nominations match vacancies all of these people are hereby declared elected and a ballot will not be necessary. I’d like to congratulate and thank each of these people for their commitment to help make Bimbadeen Heights Primary School the best it can possibly be.

CONSULTATION AND COLLABORATION WITH ARCHITECTS

It is a very exciting time for our school and a once in a generation opportunity for us to make decisions about the look and feel of Bimbadeen Heights, not just for us but for generations of children to come. The present building was built forty years ago and we hope that the new building will last for that long at least. On Wednesday this week the architects, (K2LD), who are designing our new school, spent most of the day here at Bimbadeen listening to children, staff and parents to guide their design work. The members of the Junior School Council spent an hour in the afternoon talking about what is important to them about our school currently and what will be important to them in the future. The architects used a similar approach with staff and parents in the after school and evening sessions. It was wonderful to observe and to hear the feedback from all groups. K2LD will come back to us with some concept designs for further consultation and discussion. We will keep you informed of the progress and share the concept designs as they become available. It’s expected that the concept designs will be finalised in the next 2 to 3 months.

Final-Leigh:

CSEF ELIGIBILITY

Below is the criteria used to determine a student's eligibility for the Camps, Sports and Excursions Fund (CSEF).

Criteria 1 – Eligibility

To be eligible* for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term one, or;
- on the first day of Term two;
  
a) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be a holder of
Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession
Card (PCC) holder, OR
b) Be a temporary foster parent, and;
c) Submit an application to the school by the due date.

* A special consideration eligibility category also exists. For more information, see: www.education.vic.gov.au/csef

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by
Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Criteria 2 - Be of school age and attend school in Victoria

School is compulsory for all Victorian children aged between six and 17 years of age inclusive.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or
secondary school. Typically, these students are aged between five and 18 years inclusive.

CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAFE.

Eligibility Date

For concession card holders CSEF eligibility will be subject to the parent/legal guardian's concession card being
successfully validated with Centrelink on the first day of either term one (27 January 2016) or term two (11 April 2016).

PAYMENT AMOUNTS

CSEF payment amount

The CSEF is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the
benefit of the eligible student.

- Primary school student rate: $125 per year.
- Secondary school student rate: $225 per year.

The CSEF is paid directly to your child’s school and will be allocated by the school towards camps, sports and/or
excursion costs for your child.

For ungraded students, the rate payable is determined by the student’s date of birth. For more information, see:

Year 7 government school students who are CSEF recipients are also eligible for a uniform voucher. Secondary
schools are required to make applications on behalf of parents so please register your interest at the school.

Safer Internet Day 2016

On Tuesday, 9th of February we celebrated Safer Internet Day at Bimbadeen. It was pleasing to note the number of teachers who commented on the knowledge their students demonstrated around the topic of cyber safety. Many of our students chatted about how they use their computer in a shared space at home such as the living room, whilst others discussed restrictions around the amount of screen time they had. As a school community we need to continue to have these conversations with our children to best equip them for the future. Read about the great activities and discussions that took place on Safer Internet Day at Bimbadeen last week!

**Year 1:** Our Year 1 students enjoyed watching some short videos and singing along to a number of songs/raps. Students watched the following short videos; ‘Tell a Trusted Adult’ and ‘It’s ok to Tell’. Read about what some of our students from 1LN learnt on Safer Internet Day.

‘I learnt to tell a trusted adult. I learnt that if I was sad and I saw a bad picture to tell a trusted adult’. **By Hollie**

‘I learnt how to use the Internet safely and it is ok to tell a grown up if something grown up comes up’. **By Karisma**

‘If I click on the wrong button I can tell a trusted adult. We watched two videos’. **By Rory**

**Year 2:** Our Year 2 students completed a quiz on internet safety and looked at some interactive videos. They discussed what emails were safe to open and how they should get an adult to help them when they are unsure as well as what personal details were safe to share online. Students learnt that it’s ok to use a nickname or their first name but nothing more. They talked about how you would never give a stranger your personal details so it’s the same online. Grades looked at creating a strong password and the importance of never telling others what it is unless it’s a trusted adult like mum and dad.

**Year 3/4:** Students in Year 3/4 were led through an interactive module, ‘Cybersmart Detectives’. The module focussed on exploring what might happen if someone reveals too much information online and it ends up in the wrong hands. The multimedia program reinforced personal safety messages and protective measures for dealing with strangers online. At set intervals throughout the video, students had to choose the best solution to each cyber problem the characters were facing.

**Year 5/6:** Some of our students in Year 5/6 participated in an interactive, online webinar. Students were introduced to the hype and excitement surrounding Cherrybrooke Primary School’s inaugural X-Factor competition! They guided the performers to make wise and respectful choices on social media as they upload, post, share and comment in preparation for the Grand Final. The presentation assisted students to: understand the possible consequences of posting images, be a good bystander, communicate online respectfully and understand how to report inappropriate material and contact.

‘We learnt about what to do if people tried to set up a fake website about you. You should report it to a trusted adult, such as your parent or teacher or via the government’s e-safety website. We also learnt about cyber bullying, including others and communicating positively with text messaging’.

**By Sarah Rice and Jack Powell (6MR)**
