**ASSESSMENT PORTFOLIOS**

Next Friday, March 18, Term 1 Assessment Portfolios will be sent home. These are one of the three important pillars of our reporting to parents process at Bimbadeen. They contain authentic learning tasks that your child has been asked to do in class this term along with a description of what they were asked to do and the assessment criteria for that task. Look through this with your child and talk to them about the learning tasks included and then return the book to school so that more learning tasks can be included for next term. When the assessment portfolio is sent home at the end of Term 4 it is kept at home and provides an excellent record of many of your child’s learning achievements this year.

The other two pillars of our reporting processes are; (1) face to face parent teacher interviews that are formally held at the end of Term 2 but are available at any time that parents or teachers may request one and; (2) formal written semester reports that are sent home at the end of Term 2 and end of Term 4.

**CLASSROOM PARENT HELPERS PROGRAM**

This week on Wednesday evening Mrs Liz Nicholson, our literacy leader, along with Jo-Anne Lang, assistant principal, ran the Classroom Parent Helpers program. Twenty-one parents completed this program that not only gave them some good strategies to help their own children with their reading and learning, they are now able to come into the classroom and provide help to the teacher and other children. If there is sufficient demand further evening programs will be offered later in the year.

**NATIONAL DAY OF ACTION AGAINST BULLYING & VIOLENCE**

Next Friday, March 18th, we will be participating in this national event. Children in classrooms will do some special lessons regarding this most important topic and a special whole school assembly will be held at the end of the day to reinforce the importance of our anti-bullying and anti-violence message.

Bullying and violence will never be tolerated at Bimbadeen and we are pleased to support this national day.
PRINCIPAL’S REPORT

CELEBRATE MOOROOLBARK FESTIVAL
On Saturday March 19 we will be involved at the Celebrate Mooroolbark Festival again. Our school is represented at this event each year with children performing in the talent quest, entering the various competitions or participating in the parade (although this is not happening this year.)

If you are visiting the festival please call past the Bimbadeen Heights tent and say hello to show your support for our school. Special thanks to Virginia Gardner and Kate Troschke and the community links team who have organised our involvement at the Celebrate Mooroolbark Festival this year, as well as the many children who have entered the competitions.

SPECIAL GUEST REQUIRED FOR OUR ANZAC SERVICE
On the last school day before ANZAC day we always hold a special whole school ANZAC ceremony here at 2:00PM. (Friday April 22 this year.)

This is one of the most memorable school assemblies that we hold at Bimbadeen each year and it always makes us proud to see the children showing such respect and learning about this important part of Australia’s history.

It is a formal service but one that is very age-appropriate with an educative purpose. We strive to have a special guest speaker, preferably a returned serviceman or woman who we usually access through the RSL. However, we would love to have a suitable member of our school community or a relative who would be able to come along and speak to the children at this service for no more than 5 minutes. If you know of a suitable person who would be prepared to be a part of our service could you please let me or one of the assistant principals, Jo-Anne Lang or Garry Fowler, know by the end of term.

CHINA SISTER SCHOOL VISIT
Next Thursday, Miss Becky Liu, our LOTE teacher, and myself, along with six of our Year 6 students, Sarah, Montana, Abby, Alisha, Lily and Tristan, will be leaving Melbourne to fly to China.

We will be representing Bimbadeen at our sister-school where we will be spending the majority of time. We will also be visiting Shanghai, Beijing and the Great Wall. We return on the first day of the school holidays, Good Friday, April 25.

We will be keeping a daily blog while we are away and we would love it if you could follow our blog. The children really appreciate it when they get comments from people at home. You can find the blog at Tumblr and search for Bimbadeen China Exchange.

EASTER RAFFLE
Thank you to all the families who have already sent in donations for the Easter Raffle. Donations are being accepted at the office up until Wednesday March 23. To streamline the assembly we will be pre-drawing the raffle (under government supervision of course!) at lunchtime on March 24 with the winners announced during the final assembly which will be 2:00PM. Make sure you have purchased some raffle tickets and return them to the office on or before March 24. Thank you for your support of this fundraiser. There are always plenty of prizes and we like as many children as possible to take a prize home.

Final-Leigh:

SPORTS NEWS
Last week, Corey E and Owen W attended the Yarra Divisional trials for swimming and competed well. Tara B and Cooper G also qualified for this event but chose to attend a great 3 days on Grade 5 camp instead. Owen came 1st in Backstroke and 4th in Freestyle and Corey came 5th in Backstroke and 8th in Freestyle. Congratulations to both boys!

Fantastically, Owen qualified for the Regional trials in backstroke, which he attended on Monday. He came 4th in his heat and 11th overall! Unfortunately, he was one place away from being in the top 10 and going through to the final. Owen is looking forward to competing again next year. It’s great to hear about the sporting achievements of Bimbadeen students!

Are you able to do 30 minutes of physical activity every day? Sound easy? Well let’s put you to the test!

This year Bimbadeen is participating in Premier’s Active April! The challenge is for you and your family to each do 30 minutes of physical activity every day in April. We will be tracking our school community’s progress on the Active April website and your year level can compete against other grades. Let’s see which year levels can get the most active!

Everyone who registers for Premier’s Active April will receive:

► 10 free YMCA passes or access to a local government facility

► one free hour tennis court hire at Melbourne Park or Albert Reserve

► one free ‘Get into Cardio Tennis’ session

Over the coming weeks there will be information in the newsletter on how to register on the Active April website and how to join the school and class teams. How will you get your 30 minutes of activity every day? Walk to school? Walk your dog? Kick a footy with your friends or family? Walk to the local park and play on the playground? PERCUSSION ENSEMBLE will NOT meet at 3:30pm on Tuesday 15th March as Mrs Burt has a meeting with the Planning Committee.
On the amazing Friday 3/4G and I went to Ricketts Point. It takes about 1 hour to get there. It depends on the lights and when we got there we had snack and fruit. Then we went out and we had to look for interesting stuff like sea stars and sea horses. The first interesting thing I saw was a sea horse and a jellyfish. The jellyfish was blueish white. It was the very first time I had seen a jellyfish. You can see through it as well. The people who I was exploring with were Oscar, Jordy and my best friend Jeremy. At Ricketts Point I got to hold a sea star thing that felt weird on my hand. There is this thing where you put your finger in it and it will suck your finger. There were tadpoles there and near the tadpoles there was a black and white shark egg stuck in a crack. About 10 minutes later I found two crabs, one it was under a rock, and two it was camouflaged. Then we had a class photo. We had lunch after and then we did drawing in the sand. I drew a whale and I know how to draw one because I looked it up on YouTube. I had a great time! By Hunter 3/4G

Splash, splash, on Friday 3/4G, 3/4B and 3/4T went to Ricketts Point. First we got there and we had fruit and snack. Then we went down to the beach and we went exploring. My mum and I found sea anemones, fiddley starfish, spikey sea urchins, dead crabs, gooey seaweed and many more things. Then after that all the 3/4s, parents and teachers had lunch. After lunch we went back down to the beach and made a sea sand sculpture. Lara Nathan from 3/4B and I made a fish with seaweed, wet sand, dry sand, rocks and also shells. Then at about 1:45pm we packed up, cleaned our feet and got on the bus. It was about half an hour on the bus. My favourite thing of the day was exploring in the rock pools and finding stuff. I had an amazing day at Ricketts Point with the 3/4s, teachers and parents. By Chloe B 3/4G

Last Thursday and Friday all 3/4's went to Ricketts Point. Both days were very sunny and we had lots of fun. We found crabs, sea stars, sea cucumbers, jellyfish, lobsters and lots of seaweed. We also found a brownish, creamy coloured dead seahorse that Andrew gave to Mrs Barnett. After we went exploring the sharp rocked rock pools, we had lunch. Then we went back to the sandy yellow beach to make beautiful sea sculptures. There were heaps of people who made sharks with shells and seaweed, turtles with shells yellow sand, dolphins with some shells and beautiful seahorses. Overall, we had a great day on our excursion!
