

Literacy and Numeracy Week Activities

23rd August 2016

Dear Year 1 Parents,

Next week, August 29th to September 2nd, we will be celebrating Literacy and Numeracy Week. We have planned special activities each day. Please read the following timetable to help with your child's organisation.

Day	Activity
Monday 	Bring a favourite book from home and share it with classmates. Poetry winners from Year 1 to 6 perform at Assembly. Certificates presented to finalists.
Tuesday 	Calculator walk around school.
Wednesday	Share a favourite board game from home with classmates.
Thursday 	Bedtime Stories Children wear pjs or a dressing gown over the top of their uniforms (parents too). Bring along a cushion or pillow, a favourite book and we will read stories in small groups. This will take place between 9:00 and 9:30am. Lunch with all the Year 1 children and include something in lunches that represents a number, e.g. sandwich cut into quarters, hundreds and thousands on a cake.
Friday	Chants, rhymes, riddles and poems day. Children bring along one of the above and recite it to the class.

All Year 1 classes will be doing a 'chalk story' activity with a 3/4 class during the week. If you have any questions about our exciting week, please ask your child's teacher.

Year 1 Team
