EDUCATION SUPPORT OFFICER APPRECIATION WEEK

This week is Education Support Staff Appreciation week where we have the chance to formally thank all the non-teaching staff who make such an invaluable and indispensable contribution to our school. These people’s roles are diverse and include those who work in the front office, those who work with individual students in classrooms, those who clean our school, those who take care of the maintenance jobs, those who run our canteen and uniform shop, those who provide specialist assistance to students with special needs and those who keep the financial records for the school. The one thing they have in common is a desire to support the school and to help our children and our school community. They are very dedicated, hardworking individuals who will do whatever it takes to meet the staff and children’s needs. They really help to make Bimbadeen Heights an excellent place to work and an even better place to learn. Quite simply we could not operate without these people. The following is a list of the wonderful Education Support Staff who support our students and school programs:

To access our Facebook page, log in to your Facebook account and copy the following link into the address bar at the top of your page: https://www.facebook.com/bimbadeenheights. Click on our school’s page to read the latest updates and information and press the thumbs up ‘Like’ button to receive the latest posts/updates.
If you see one of these special people please also thank them for the contribution they make to our school. They really do make our school a better place which in turn makes it a better place for your child and that’s what we all want.

TOURNAMENT OF MINDS
Tomorrow, August 20th, seven of Bimbadeen’s finest young minds will be competing in the 2016 Tournament Of Minds competition in Lilydale. The TOM team is comprised of 7 students from 2 year levels. This year’s team is: Peter P, Eve M and Emma W, (from Year 6) and Tara B, Olivia M, Amy O and Heath M (from Year 5). Each team that participates in TOM presents two different Challenge solutions. One is their Long Term Challenge solution. This is the result of 6 weeks of preparation and each presentation takes ten minutes. The team also present a solution to a Spontaneous Challenge. As the name suggests, this is an unseen challenge that is given to the team at the time of their presentation. The Spontaneous Challenge presentation generally takes about five minutes and is watched only by the judging panel.

This group of dedicated and talented students have been working tirelessly for weeks now to research their characters, write a script, make costumes, props and backdrops, and learn their lines. The performance will take place at Mount Lilydale Mercy College tomorrow and parents and friends are welcome to watch the Long Term Challenge at 9:00am. (The spontaneous challenge is for the judges only to watch at 10.00am.)

We wish our TOM team all the very best for their tournament and know they will do their best and make us proud. Huge thanks to Michelle Franks and Beth Dean who have assisted the team so well and helped guide their preparation.

SCHOOL BANKING THANKS
Sandra Brown and Robyn Moore have been two of Bimbadeen’s finest quiet achievers over the past six years as our student school banking volunteers. Each week Sandra and Robyn, (who returned each week this year even though she no longer had a child at Bimbadeen), have diligently checked all deposits and kept accurate records. Our Dollarmites student banking also generates income for our school with $5.50 earned for every $100 of deposits. This earns our school around $900 a year. It’s always good to get ‘free money’ from the bank! Thank you Sandra and Robyn for your great work that over the past six years has earned our school well over $5,000. We will miss seeing you in the staff room each week and will always consider you friends of Bimbadeen.

We welcome Sally Jackson and Heather Reynolds to the role and thank them for volunteering their time to supporting our student banking program.

School Bank books are due at school on Tuesday.

FREE RANGE KIDS – WALKING TO SCHOOL PILOT PROJECT
The Yarra Ranges Council has asked our school to be involved in a pilot project aimed at encouraging more children to walk to school. The council has contracted an ‘active travel’ expert David Engwicht, who will visit our school and explore the walking routes to and from our school. They are seeking to identify the challenges and reasons why children are not walking to school and will be holding a couple of focus groups here at the school on Wednesday August 31st for this purpose. At 2:30pm they will meet with our Junior School Council to talk to the children about walking to school. At 3:00pm they would like to meet with a focus group of parents who are prepared to talk about this topic. This focus group will be held in the parent room. After school they will meet with teachers.

In term four some of our classes will be recording the number of children who walk to school each day for a six week period from Monday October 10th to Friday November 18th.

TRIVIA NIGHT
Tonight is the combined Bimbadeen Kinder and Primary School trivia night. We are sure that everyone will have a lot of fun and also raise a good amount of money for our kinder and school. A big thank you to Bree King, Paul Meilak and the team of helpers who have put this night together.

LILYDALE DISTRICT ELITE ATHLETICS CARNIVAL
We had great weather for the Elite Athletics Carnival yesterday. At the time of writing I don’t know the result but am sure that our children will do their very best and make us proud. We will put a more detailed report in next week’s newsletter and put the results on our Facebook page as soon as we know them. Thank you to the teachers who organised the team and to the parents and friends who went along to show their support.

“Reaching for the Heights”
CHOCOLATE DRIVE

Thank you to everyone who supported our chocolate drive over the past few weeks. Chocolates are now overdue so if you still have a box of chocolates at home or at your workplace please send the money and any unsold chocolates back to school on Monday.

LONG SERVICE LEAVE

A reminder that I will be away for the last four weeks of term on Long Service Leave and Mrs Joanne Lang and Mr Garry Fowler will be acting principals and leading the school. I have the utmost confidence in these fine people who have led our school so well many times over the past few years. If you have any concerns or questions please do not hesitate to contact either of them.

Final-Leigh:

"The slogans 'hang on' and 'press on' have solved, and will continue to solve, the problems of humanity."

(Ogwo David Emenike)

PE NEWS

We have had a few sporting teams active over the past month. Our girl’s and boy’s tee ball teams played in the Yarra Division finals. Although they weren’t able to win, both teams played well, especially since new rules and equipment were added for this round.

The girl’s netball team won the Yarra division competition and will be playing in the Eastern Metropolitan Region Round Robin day next week.

On the 28th July, our girl’s netball team and our first Bimbadeen boy’s netball team went to the Netball Championships. The girls played 10 games; they won 9 games and drew 1. The boys played 5 games and were undefeated. After an exhausting day, both teams finished top of their ladders and will be playing in the next round at the State Hockey and Netball Centre in two weeks. We wish them all the best!

Bimbadeen competed in the AFL 9s Maroondah District competition. AFL 9s is a modified version of AFL with no tackling, players restricted to certain areas and all players having a go in each position. With very limited practice, our team of 9 boys and 3 girls took to the field with great enthusiasm and won 3 out of 5 games. Throughout the day they demonstrated fantastic sportsmanship and a good development of skills and teamwork.

CHAPLAIN NEWS

We will be running activities where the students are able to engage in pulling CD and DVD players apart. This includes problem solving, teamwork, seeing how motors work, using magnets to pick up screws and so much more.

We are seeking donations of the following: DVD Players, Speakers, CD Players, Computers etc.

Thanks John Vann

CANTEEN

CANTEEN ROSTER

TERM 3

Week - ending 26th August

Monday 22/08 CLOSED

Tuesday 23/08 Amanda Dorning Jodi Jordan Jodie Griffin

Wednesday 24/08 Karen Witchell Julia Dawson Raewyn Toomer

Thursday 25/08 Sally Jackson Kellie Vasililou Anita Scott Karen Moran

Friday 26/08 Cindi Palmer Sarah Huxley Darlene Toll Cassandra Kenworthy Belinda McLean

If you are unable to attend your rostered shifts, could you please make arrangements for a replacement or ring Vicki Taylor on 9726-8170.

“Reaching for the Heights”
AUTHOR INCURSION
Gus Gordon, author/illustrator conducted a wonderful incursion with our Foundation, Grade 1 and 2 students on Wednesday this week as part of our Book Week celebrations. Have a look further in the newsletter for some photos and an overview of these sessions.

LIBRARY AWARDS
At last Monday’s assembly the following children, and their respective book choice selections, were ‘lucky dipped’ from the Library Awards box. Details are:
- Maddie T (3/4B) – ‘Brain Teasers – Picture Puzzles’
- Joshua W (0ER) – ‘Pokemon’ colouring book
- Max J (1AS) – ‘Star Wars’ – activity & colouring book
- Cambell W (6HS) – ‘Tom Gates: Best book day ever…. (so far!)

CBCA SHORT LISTED BOOK AWARDS:
At the time of writing this article we have no idea who the winners of the CBCA Books of the Year are, as they will be announced this Friday just after 12noon. Will the winning books be our favourites? We will have to wait and see! However, we have all enjoyed reading the shortlisted books in all grade levels over the past six weeks of Term 3.

VICTORIAN PREMIERS READING CHALLENGE
Hopefully lots and lots of reading has been done over the past six months and many of our students have met this year’s Reading Challenge. There’s just over 2 weeks to go before all data needs to be entered so that it can be verified and submitted. If your child has been recording their reading and has not yet entered it onto the computer, please send it along to school so that we can arrange for this to be done at school.

Karin Sansom

YEAR 3/4 MINI OLYMPICS
Wow I had a busy day at the Mini Olympics. First in the morning we went out to the netball court and the teachers called out the countries and I was in the first one Tuvalu, and the other countries were Eritrea, Kiribati, Comoros, Turkmenistan, Djibouti and Benin.
So my group walked to Miss Cook’s class and we coloured in a flag, watched a video about Tuvalu and we talked about the country. After that we went to the netball court and we did the torch relay and I got to light the cauldron! After that we had photos with our flags and the teachers told us the events.

The events started after play. The events were golf, archery/hooky, balloon sprint, sock wrestling, javelin, ping pong and hammer throw and if you went through to the finals the sports were balloon sprint, sock wrestling and equestrian. My favourites were the balloon sprint, the hooky/archery and golf because I won the hooky and golf and also it was a twist in the balloon sprint.

I had an awesome day at the Mini Olympics.

From Chloe B 3/4G

YEAR 3/4 MINI OLYMPICS
Wow!!! We had a fantastic day on Tuesday the 16th of August. The teachers put a lot of effort into the day of our Mini-Olympics.

It all started in the morning when the teachers put us into country groups such as Tuvalu, Turkmenistan, Djibouti, Comoros, Eritrea, Kiribati and Benin. We all went off to a classroom and decorated our country’s flag. After snack we started our rotations of the events.
The events were Sock Wrestling, Balloon Racing, Javelin, Hammer Throw, Archery, Ping Pong and Mini Golf. In Sock Wrestling you have to get down on your knees and try and get the other person’s sock off. In Balloon Racing you had to put a balloon between your legs and run with it without it falling out. In Javelin you had two straws stuck together and you had to try and throw it into a bucket. In Hammer Throw you had a paper bag and string tied on to it and you had to spin around three times and then let it go. In Archery you had to throw six rings on to a hooky board. In Ping Pong the object of the game was to get the Ping Pong ball in to the cups. In Mini Golf you had to get the ball to the end of the oval with the least amount of hits. As you can tell all the year 3/4 events had a little twist to them.

At the end we had a few feature events. They were Sock Wrestling, Balloon Racing and Equestrian. The winner of the Sock Wrestling was Dawt from 3/4K. The winner of the Balloon Racing was Josh D from 3/4G. Finally the winner of Equestrian was Byron B from 3/4E.

At the end of the day we were all exhausted!! We all received a lolly bag from the teachers. Inside there was a pineapple, a rope, a banana and an Australian flag. We had a fantastic day!!!!!

BY HAYLEY R AND CHARLI B 3/4C

---

Year 3/4 Mini Olympics

The grade 3s and 4s had plenty of fun in their Mini-Olympics. There were seven countries and events with one teacher hosting one even. The events were Ping Pong, Golf, Archery, Javelin, Hammer Throw, Sock Wrestling and the Sprints. The teachers put a lot of effort into our day and at the end everyone got a little something. Here are the rules for some of the events.

Sock Wrestling:

1. For sock wrestling your shoes must be off and your socks have to be half off.
2. No pushing your opponent or flipping them over to get their socks off.

Golf:

You have to hit your ball to a finish line. There are four groups going at the same time.

Archery:

You have to stand behind a chalk drawn line. You only get six goes until your go is over.

The Sprints:

You must grasp a balloon in between your legs. If you drop the balloon you have to start again.

Ping Pong:

You can either throw the ping pong ball on the full or bounce it on the table. You only get three per turn.

Javelin:

You have to stand behind one of the three line to earn 0–3 pts. You are allowed to do either over-arm or under-arm throws.

Hammer Throw:

You have to spin three times then let go of the bag. To earn points your hammer must land in one of the two circles and if it lands in one of them you will get 0–2 pts.

The best times

We all made some new friends and obviously we all had an amazing time with all our activities and new friends to keep us intrigued for the day. We will treasure this day forever and never forget the friends we made. Of course we had some finals like the Sock Wrestling and the Sprints we also had an Equestrian. Everyone had fun with our Mini Olympic Games and I think that concludes B.H.P.S 3/4 Olympics.

“Reaching for the Heights”
**Year 3/4 Mini Olympics**

On Tuesday 16th of August we had a very amazing day for the year 3/4s at school. It all started in the morning when the teachers put us into countries that were not very familiar to us. Then we went to the teacher’s classroom to learn about our countries and we coloured in a flag for our country. Then at 10am we came outside to the basketball court to have our photo with our country. Then we went to the netball court for the opening ceremony and then after the ceremony the teacher’s talked about the events. There were 7 events and by the time they were finished talking it was recess. When recess was over we sat down on the netball court to learn more about the sport that we were doing.

We started at our own groups and I started at archery. It was like throwing a ring on to a hook and you got different amounts of points depending on what hook you threw it on. Then I went to sock wrestling, the goal of the game was to get your opponent’s sock off. It was so fun watching people trying to get socks off. When that was over we went to javelin where you had to get two straws that were stuck together and there were three steps that you could shoot from into a basket.

Then I went to ping pong. You get points for every cup you make so the first four cups you get 10 points, the second three cups you get 20 points, the third two cups you get 50 and the fourth one you get 100 points. It was fun. There were two circles, the one closest to you was worth one point and the one furthest away was 2 points.

The next event that my team went to was Balloon Sprints. You had to put a balloon in between your legs and then try to sprint without dropping it or popping it. It was really fun.

Then we went to mini-golf. There were 3 different clubs and balls, it was so fun. Those where the last events but we did have feature events as well. The first feature event was Sock Wrestling. Dawt from 3/4K was the gold medallist, the silver medallist went to Josh D in 3/4G and the bronze medallist went to Samoa in 3/4R. The second feature event was Balloon Sprints. Josh D from 3/4G won a gold medal, Lily G from 3/4G won a silver medal and Harry W from 3/4B won a bronze medal and the last feature event was the Equestrian. This is horse riding but not with real horses and the winners of the Equestrian, starting at gold medal, was Byron B from 3/4K and coming in second with silver was Daniel M from 3/4C and coming in third with bronze was Luke T from 3/4B. Then we got a bag of lollies and then it was home time, YAY!

By Darragh and Aidan 3/4C

**3/4’s mini Olympics**

Wow!! It was an amazing day for the Year 3/4 Mini-Olympics yesterday! I can still remember how we all raced with the colourful balloons in-between our legs and threw the bag with the gold dust! Okay. It all started on a Tuesday morning, the 16th of August 2016. Our fabulous 3/4 teachers organised the best day.

We started getting excited in the morning because we all lined up on the basketball court without knowing anything. Then the Olympic torch runners ran with their torches. We were all put into countries. I had no idea what mine was about. After that, we read out the Athlete’s Oath. I did it in French and Kiera-Lee did it in Australian. Finally, we started. Eritrea, my country started at the archery. I got nine points.

Then we rotated to go to wrestling. I lost straight away over there but we had our winner, Hunter. After that, we departed for Javelin. It was quite fun even though I didn’t get any points. It was very hard with the wind. Then we went to a sport called Ping Pong. To play this, you need a ball, a table and plastic cups. We needed to place the cups in a triangle. With the ball you bounced it onto the table and tried to get it into the cup. The first row was fifty points, the second was twenty, the third was fifty and the last cup was one-hundred. Then we continued our little circuit to hammer throw. Now you don’t need to worry because it was quite safe. We had a bag filled up with gold dust with a string tied to it and we had to hold onto the string, swing it around then let go on the third time we turned around. I got two points in total.

My second last activity, my favourite was the one where you put the balloons in-between our legs and raced. I came second in that. I found it very fun watching all the girls trying to not drop the balloon. Let’s get onto my last activity. It was called mini-golf. I didn’t like this one as much as the other ones but it was still good. It was just like golf. Then we had the Feature Events. Byron from 3/4E won the horse race, Dawt from 3/4K won the wrestling and Josh from 3/4G won the balloon race. At the end of the day, we all received a lolly bag from the teachers.

“Reaching for the Heights”
In conclusion, our day was fabulous. My favourite event was the balloon race. It was a great day watching the finalists. Of course, the events all had a bit of a twist.

By Leyanna B, 3/4C.

3/4 Mini Olympics 2016!

It all started on Tuesday morning, it was the day for the Mini Olympics. The teachers had set up a special surprise for the year threes and fours. There were seven events and these were; Sock Wrestling, Ping-Pong, Balloon Sprints (where you run with a balloon in between your legs) Hammer Throw, Javelin, Mini-Golf and Archery (but with Hookey.) There were also seven countries and they were Tuvalu, Benin, Kiribati, Eritrea, Comoros, Djibouti and Turkmenistan. The teachers supervised each event. My favourite event was mini-golf. Oh, it was such a fun, awesome and fantastic day for everyone, even for the teachers too!

By Meoldy 3/4C

Mini Olympics

On Tuesday the 16th of August all the 3/4s had a Mini Olympics!!!!!

To start off the fun day we had an opening ceremony and a torch relay. After the ceremony we all split up into countries and they were Tuvalu, Eritrea, Kiribati, Comoros, Turkmenistan, Djibouti and Benin. In our countries we made mini flags and learnt about that country.

In the middle of the day we did 7 events and our favourite one was the balloon racing, our second favourite one was the hammer throw.

At the end the day we had the final for the sock wrestling and balloon racing! We also had an equestrian event. For the sock wrestling Dawl from 3/4K came 1st. In the balloon racing Josh G from 3/4G came 1st, Lily G from 3/4G came 2nd and Harry W from 3/4B came 3rd. For the equestrian event Byron B from 3/4K came 1st, Daniel M from 3/4C came 2nd and Luke T from 3/4B came 3rd.

We all had a really fun day!!!!!

By Teagan W and Lily G

3/4 Mini Olympics

On August the 16th the year 3/4 kids went out for the whole day celebrating the Olympics by doing mini archery, sock wrestling, straw javelin, ping pong, mini hammer throwing, balloon racing and mini golf. There were feature sports like equestrian, grand final sock wrestling and grand final balloon races.

The teams or countries were Eritrea, Benin, Tuvalu, Kiribati, Comoros, Djibouti and Turkmenistan.

A very special boy got a chance to go in two finals! His name was Josh from 3/4G. He competed in the sock wrestling final and he also came first in balloon racing, with a blood knee! Most grade 3/4s liked sock wrestling and ping pong not many liked javelin or archery. Mini golf, some people liked it and some did not. This was a very fun day!

By Hunter K and Asher C
Year 3/4 Mini Olympics

“Reaching for the Heights”
Gus Gordon - Author Incursion  
Foundation, Grade 1 & 2

Gus Gordon, author/illustrator conducted a wonderful incursion with our Foundation, Grade 1 & 2 students on Wednesday this week as part of our Book Week celebrations.

After learning about his childhood and how he has loved to draw since being very small we got to be some of the very first people who have ever seen his new picture story book ‘Somewhere Else’.

His previous books ‘Wendy’ & ‘Herman & Rosie’ are already two very popular books which are borrowed and enjoyed on a regular basis.

Gus shared lots of his pictures from when he was very young and some of his current sketchbooks filled with drawings. His drawing of Evil Knieval, the famous dare-devil motorbike rider, which he drew when 7 years old was a bit hit and I’m sure we will see many of our students taking up motorbike drawing as a result!

We hope he has encouraged our students to take up drawing in their spare time – who knows he may have sparked off the career of a budding illustrator as a result of coming and sharing his work.
WOULD YOU LIKE TO HELP IN THE CLASSROOM?

Classroom Helpers Program Term 3, 2016

The Classroom Helpers Program provides an opportunity for parents or grandparents to share in the educational development of students with the support and direction of teachers. We are offering the Classroom Helpers Program again in Term 3.

The program will be held on Wednesday 7th September from 7.00 to 9.00 pm.

The efforts of classroom helpers are a highly valued resource for students, as opportunities for learning are nurtured by the participation of understanding adults. It consists of one interactive session and is linked to the classroom literacy/numeracy program.

The course will:

- develop an increased understanding of the development of literacy/numeracy skills
- demonstrate various learning situations to helpers so they can act as role models for students in the classroom
- train helpers in how to give support for small groups of students
- emphasize the importance of confidentiality as a classroom helper

We would like to thank all participants who have previously completed the sessions and would appreciate their input to new parents/grandparents who are thinking of doing the program.

We remind parents who want to help in the classroom, that all helpers must have completed the Classroom Helpers Program and also have a Working with Children Check.

If you are interested in participating in the program please fill in and return the form below by Friday 2nd September. (Please note: The program will only run if we have sufficient numbers.)

Liz Nicholson and Michelle Franks
Literacy and Numeracy Coordinators

Classroom Helpers Sessions

NAME: ______________________Contact Phone No____________________

☐ I would like to attend the Classroom Helpers Program on Wednesday 7th September, from 7.00 to 9.00 pm.

CHILD’S NAME & GRADE: ______________________________
Knights & Castles; Lords and Ladies will include heraldry, the significance of colours and symbols, your family coat of arms, knights and chivalry, the Battle of Hastings (Bayeux Tapestry), the castle and warfare, Troubadours and Jesters, prowess and bravery, the Lord, Lady and children of the manor, Latin and French, pilgrims and monks. In Week 8 you will be invited to a presentation by the students.

**wiseOnes Application for 4th Term 2016**

This program is available for all Grade 1 - Grade 6 children who have qualified for WiseOnes.

WiseOnes Teacher: Noel Blacker: mobile 0409 435 396.

The unit for fourth term commences week beginning Monday 10th October, 2016. The unit will run for 8 weeks commencing: 10th Oct, 17th Oct, 24th Oct, 31st Oct, 7th Nov, 14th Nov, 21st Nov and 28th Nov.

I wish to enrol my child in the unit "Knights and Castles" starting week beginning Monday 10th October, 2016.

I give permission for a copy of this slip to be handed to the WiseOnes teacher.

Child's Name ___________________________ School: Bimbadeen Heights Primary

Date of Birth _______________________ Class (2016) ______

Parents' Names __________________________

Address ______________________________________________________________________

Phone: BH ________ AH __________ Mobile ________________

Email: __________________________________________

My child has already qualified for WiseOnes YES/NO

I would like a free test for my child YES/NO

I would like my child to be tested with a fuller assessment to qualify for WiseOnes (assessment cost $250 inc. GST).

Please send this slip and payment of $238.00 by Wednesday 5th October, 2016. As we are a non-credit business, children will not be accepted into the program for the term unless the fees and enrolment form are returned by the above date.

If paying by cheque please make it payable to Bimbadeen Heights Primary School.

For further information please contact Pat Truscott on 9326 6441 or Mobile: 0407 313 657.
Dear Parents/Guardians,

Welcome back to OSH Club for another week! Great to have some feedback regarding the program and how we’re doing. The focus over the past few weeks has been around teamwork, working together and continuing to improve our eating habits. If you have any suggestions on some fun, healthy food ideas, we would love to hear them!

Operating Hours
BSC: 7:00am - 8:45am
