ASSISTANT PRINCIPAL’S REPORT

STUDENT ASSESSMENT PORTFOLIOS

Next Friday you will receive your child’s Term 3 assessment portfolio. This very important document contains authentic learning tasks that your child has completed in class along with the description of what the child was asked to do.

Please take a few minutes to sit with your child and go through their portfolio with them, talking to them about their achievements and the areas that they plan to work on next term. If you have any concerns or questions about your child’s learning progress please do not hesitate to contact your child’s teacher. The portfolios need to be returned to class before the term break.

At the end of the year the portfolio will be sent home permanently for parents to keep as a record of their child’s learning achievements and also as a memento of their year. This is one of the three important aspects of our assessment and reporting program at Bimbadeen. The other two parts are the written reports that come home mid-year and end of year, and the parent teacher interviews that are formally held in the middle of each year or whenever the parent or teacher requests a meeting.

LITERACY/NUMERACY WEEK

It’s been a busy week of Literacy and Numeracy activities around the school this week. There was the special Dads’ night on Thursday. (More on that elsewhere). In the classrooms children have been doing interesting and engaging learning activities such as the ‘Calculator Walk’ where children explore the school looking for numbers and making up maths equations with the numbers they find. There have been a number of ‘dress-up’ days or even ‘dress-down’ days for the Year 1/2’s who came along in pyjamas and dressing gowns to enjoy a day of reading books. Year 3/4’s dressed up as a character from a book and even the teachers joined in too! Many of the older students read favourite books to children from younger grades and then completed a co-operative activity drawing chalk stories about the books. You will probably have seen a number of these drawings around our yard. It has been a fun week and worth the effort put in by the teachers and families who supported the range of activities.
**FATHER’S DAY SPECIAL EVENTS**

I hope all the Dad’s in our community have a great day on Sunday and enjoy the gifts, many of which were very carefully chosen by your children at the Father’s Day Stall organized by Leanne Westall and her band of helpers.

On Thursday evening we had a fantastic time up here at the school with over one hundred and fifty dads and many more children enjoying time together doing a range of activities in the specialist rooms. There were portraits in the Art room, percussion in the Music room, Chinese writing in the LOTE room, co-operative games in the BER and browsing books in the Library. Thank you to Mrs Buckland, our well-being leader, who did an amazing job organising the night and ensuring that everything ran smoothly and to all the teachers who attended.

It made us very proud of our wonderful school Dads and other ‘special blokes’ who took the time to come with their children to the school to celebrate the role of Dads and other special men in the successful education of children. It will be a memory that will last a very long time.

On Friday morning the Foundation students brought along their Dads to school to enjoy breakfast in their classrooms that included egg and bacon rolls cooked by the staff. This is always a highlight of the year for the children and Dads alike.

Big thanks to the Foundation team of Miss Dean, Miss Russell and Mr Rosendale along with the many teacher helpers who did the cooking.

**FREE RANGE KIDS**

On Wednesday some of our students, interested parents and staff met with the “Free Range Kids” project staff to talk about promoting and encouraging more active travel in our school. We will include more information about this project in future newsletters.

**YEAR 3/4 HOOP TIME**

Today approximately 70 of our Year 3/4 students competed in the Hoop Time round robin basketball competition at Kilsyth Stadium. A big thankyou to Miss Schie and the Year 3/4 teachers and all the parents who assisted with coaching and scoring and supporting our teams.

**5/6 HOOP TIME**

On Friday last week, 90 students from grade 5/6 put on Bimbadeen basketball singlets to represent the school at the annual Hoop Time basketball competition. There were two boys’ and one girls’ All Star teams, seven mixed Future Stars teams and two mixed Rookies teams. We were lucky to be able to give all students a go no matter their basketball ability. The day was enjoyed by all with everyone giving their best shot. It was great to see our schools’ basketball skills and team work develop over the day. Well done to all who attended. Our boys’ All Stars #2 team and our Future Stars team the Bimbadeen Broncos both won their grand finals and have the opportunity to play in the next round in Term 4. Thank you to all the parents, pre-service teachers, Mooroolbark College students and Bimbadeen teachers who helped out on the day. An extra big thank you to Miss Ruscitti for her organisation leading up to this event. (Look for some photos elsewhere in this newsletter!)

**NETBALL CHAMPIONSHIPS ROUND 2**

This week we had our boys and girls netball teams compete in the second round of the Netball Championships at the State Netball and Hockey Centre. Both the boys and the girls teams made it into the semi-finals. Unfortunately, both teams had close matches and both lost by only one point. This was a challenging day playing against schools who had all won in their initial competitions. Everyone fought hard right until the end. A fantastic effort shown by both teams.

Thank you to Miss Barnett and Miss Ruscitti for being fantastic coaches.

**CHALLENGE QUESTION:**

We are having a focus on invasion games in PE classes for grades 3 to 5 this term. Can you name 10 different sports or games that are classified as invasion games?

CLUE: Invasion games have 2 opposing teams. Each team tries to invade into the other team’s zone to score a goal.
NEXT TERM WE HAVE THE LILYDALE DISTRICT SWIMMING COMPETITION. THERE ARE FOUR AGE GROUPS: 8/9 YEAR OLDS, 10 YEAR OLDS, 11 YEAR OLDS AND 12/13 YEAR OLDS. EACH EVENT IS 50 METRES AND INCLUDES THE FOLLOWING STROKES: FREESTYLE, BACKSTROKE, BREASTSTROKE AND BUTTERFLY. THERE ARE ALSO TWO RELAY EVENTS: 4×50 METRE FREESTYLE RELAY AND OPEN MEDLEY RELAY (9-11 YEARS AND 12/13 YEARS). STUDENTS WILL BE SELECTED FROM THEIR RECORDED TIMES AND PREVIOUS EXPERIENCE. IF YOUR CHILD IS INTERESTED IN PARTICIPATING, PLEASE FILL IN THE DETAILS BELOW FOR ONE OR MORE EVENTS AND RETURN THIS BY NO LATER THAN WEDNESDAY THE 14TH SEPTEMBER. LATE FORMS WILL NOT BE CONSIDERED.

MELBOURNE WRITERS FESTIVAL
What a wonderful day it was for the very small group of Grade 5 & 6 students who attended the Melbourne Writers Festival with Mrs Sansom this week. As promised in last week’s newsletter, you will find a small sample of some of the things we did on this very busy day.

CBCA SHORT LISTED BOOK AWARDS:
Voting for the books we thought would win took place this week during library sessions. At the time of writing this article, the students had not yet been told who the winners for this year’s Children’s Book Council Awards were and as readers of this newsletter you will be the first to know!

This year’s winning books as selected by the Children’s Book Council of Australia are:

- Early Childhood: ‘Mr. Huff’ by Anna Walker
- Picture Story: ‘Flight’ by Armin Greder
- Younger Readers: ‘Soon’ by Morris Gleitzman
- Information Book: ‘Lennie the Legend: Solo to Sydney by Pony’

We will be tallying the votes as cast by our students and see if we agreed with the CBCA choices and report on these results next week.

VICTORIAN PREMIERS READING CHALLENGE

Chirnside Park Shopping Centres School Rewards Competition
1st September – 19th October

During the week you would have received a flyer with information regarding the Chirnside Park Schools Reward Program. This is a great opportunity for our school to earn some extra money towards our future projects.

The School Rewards is a competition that is run in conjunction with 21 local primary schools for their chance to win a share of $10,000 in school community grants. The concept is simple – collecting points for your local school by shopping at Chirnside Park Shopping Centre.

There are weekly prizes for shoppers to win ($100 Chirnside Park Gift Card) and also a grand prize of a $2,000 Chirnside Park Gift card for the shopper who accumulates the most points at the conclusion of the competition. By shopping in centre and submitting receipts, you not only support our school for their chance to win a share of $10,000, but go into the draw to win prizes for yourself!

To make participation even easier this year they have introduced an option for shoppers to register and load their own receipts ONLINE (at your own convenience) instead of visiting the customer service desk as per last year.

You can also return any receipts to the office and we can enter them for you.

Get shopping!

Thanks,
Haley Rusch

Melbourne Writers Festival Excursion

Tuesday 30th August saw 10 students from Grade 5 & 6 classes attend the Melbourne Writers Festival at Federation Square and visit the State Library of Victoria. We had a jam-packed day and came away with lots of new experiences.

Some of our highlights during the day were....

Making Alice Miranda’s session — author: Jacqueline Harvey

Jacqueline Harvey told us some important experiences in her life. She has always had a vivid imagination! She also had the worst teacher in Australia (who used to hit children across the fingertips with his cane when they did something wrong). In Grade 4 her family moved and she went to another school and ended up with the best teacher in Australia who inspired her in so many ways! She spoke about her black Labrador Susie and the first boy she fell in love with her — (no, it wasn’t a happy ending…). She became a teacher and is now a full-time author. ‘Alice Miranda in China’ has just been released and is her 14th book in the series. Her character of Alice Miranda is based upon 3 students she has previously taught and whom she really admires. She is working on a new series which will be released next year and also told us that she always has to set herself goals for how many words she has to write each day so she meets her publisher’s deadlines and has lots and lots of ideas for new stories.

Street Art — Hosier Lane

On our way to the State Library we walked along Hosier Lane which is one of Melbourne’s approved street art locations. With comments like ‘the Illuminarti was creepy’, ‘it was cool’ & ‘it was colourful’ certainly showed that a variety of appreciations were experienced by our students.

Time to Rhyme” session — author: Tony Wilson

Tony read from his CBCA 2015 shortlisted book ‘The Cow Tripped Over the Moon’ and got everyone to do actions whenever the cow jumped, tripped, flew or did any other action over the moon. He also shared parts of some of his other books like ‘Harry Highpants’, ‘The Thirsty Flowers’ and ‘Emo the Emu’. He talked about rhyming, what makes a good piece of poetry and gave us some tips for cheating when trying to write poetry. He discussed syllables, rhythms and the magic Rhymezone website (which we’re not allowed to tell anyone else about ‘shhhh’, it’s a secret!!)
