**WELCOME BACK**

What a great start to school! Hundreds of happy children, parents and teachers with children already doing some great writing and other learning. See our newsletter in colour on the BHPS website.
Welcome back to another school year. The start of the year is always special and full of optimism as new relationships are established and existing ones renewed. We look forward to the new opportunities that 2017 brings as children commence a new year level and rise to the challenges of different learning tasks.

A special welcome to families new to our school community. We look forward to working with you to help your child/ren grow into fine young men and women. You know your children better than we ever will and there will be many times where we will need and rely on your insights into your child as together we help them negotiate the challenges that can occur at school. The teachers will also have insights into your child/ren that they gain from observing them in the school and classroom environment, an environment that is quite different to home. Working together and sharing these insights in a spirit of trust and respect will ensure that your child/ren will grow and learn successfully.

The year has started very smoothly with all children settling into the new classes so well including the new Foundation children who looked like they had been at school for months as they lined up, listened attentively to their teachers and sat at their tables working or on the floor listening to stories! This is testament to the quality of our transition program in 2016 that has clearly prepared the children well for the start of school. The new parents were justifiably full of pride and taking lots of photos to record the moments and memories that will last a lifetime.

Thanks also to all the teachers who came in to school over the holidays to prepare their classrooms and planned so well for the start of school so that it has been a positive and successful experience for the children. We are looking forward to a most successful year at Bimbadeen.

BACK TO SCHOOL KIT
There will be no newsletter next week, February 10, as we will be sending home the annual ‘Back To School Kit’. This is one of the most important things we send home each year. Please put aside a few minutes with a cuppa and a pen and work your way through this kit. It contains valuable information about our school and several compulsory permission forms that we must have returned.

HATS – SUNSMART POLICY
Don’t forget that Bimbadeen is a SunSmart School and wide brimmed hats are compulsory in Terms 1 & 4. Hats are available at the Uniform Shop and must be worn by all children when outside at playtime and lunchtime. Children who do not have a hat will have a restricted play area under the covered way. Please ensure that your child’s hat is clearly named and that they have it at school every day.

COLLECTION OF STUDENTS FROM SCHOOL DURING SCHOOL HOURS
The Victorian Department of Education and Training (DET) has policies and guidelines for the collection of children during school hours from government schools. Students must only be collected by their parents (subject to any specific court orders) or by a person who has been authorised by the parents to pick up their child. An authorised person is anyone who has been identified by the parents on the enrolment form such as Adult A or Adult B or anyone listed as an Emergency Contact. If the authorised person signing the child out early is not known to the office staff they can expect to be asked for photo identification. If you have any questions about these procedures please do not hesitate to speak to a member of the principal team, (myself or Assistant Principal Garry Fowler), or any of the office staff.

On a related topic, if there are or have been any family court orders in place that are relevant to your children can you please ensure that we have the latest copy on our file so we are aware of any custody or access restrictions that are in place.

STUDENT SUPERVISION AT SCHOOL
PRIOR TO AND AFTER SCHOOL HOURS
Teachers commence yard duty supervision of the playground at 8:45am each day. Please be aware that children who arrive prior to 8:45am may be unsupervised in the playground. After school there are teachers on yard duty until 3:45pm. After 3:45pm children who have not been collected may be brought to the area outside the office. If children remain uncollected after 4:00pm every effort will be made to contact parents and the children may be sent to the out of school hours care program, OSHClub, with any costs to be met by the parents.

Our OSHClub provides a high quality before and after school care program where children will be provided with some breakfast and activities as well as fully qualified supervision from 7:00am
until 8:45am in the morning and from 3:30pm until 6:00pm in the afternoon for a reasonable price that is subsidised by the government’s Child Care Benefit. I encourage parents to use this service rather than leaving their children unsupervised.

SAFER INTERNET DAY – TUESDAY 7 FEBRUARY

The internet is awesome and most kids are using it in a positive/productive way. At Bimbadeen we focus on the acceptable ways that students can use the internet. We aim to equip students with strategies to build respectful relationships and combat cyberbullying. At Bimbadeen, children will be completing age-appropriate activities on Safer Internet Day next Tuesday right across the school to help make sure that they are learning the best and safest way to use the internet. As an accredited E-Smart school cyber safety is a very high priority at Bimbadeen. Please take the opportunity to talk to your children about safe internet use next week.

SCHOOL COUNCIL ELECTIONS

Elsewhere in today’s ‘Blaze’ you will find a call for nominations for School Council. If you are interested in serving on School Council please call at the office for a nomination form and return it to me by 4:00pm next Friday, February 10. If you would like to know more about School Council please call at the office and pick up an information sheet or have a chat with me.

KEEPING UP TO DATE

A dynamic school of this size has a lot of things happening. Good communication is critical to ensuring positive and effective school experiences for you and your children. Our primary tool of whole school communication is our weekly school newsletter, the Bimbadeen Blaze, that you are reading now. This is published each week on a Friday and is put up on our website and on TiqBiz. A link is also put on our school Facebook page. (We offer a hard-copy of the newsletter if you prefer however you need to register for this via a form that will be in the Back-To-School kit being sent home next week.)

To receive notifications that we put on our Facebook page all you need to do is search for bimbadeenheights on Facebook and ‘Like’ one of the posts. This should ensure that our posts appear on your Facebook ‘feed’. (Please read and familiarise yourself with our school Facebook Code of Conduct that can be found on our website under the ‘Policies’ tab.)

To receive notifications directly to your smartphone we install the app on your phone or tablet, search for Bimbadeen Heights and then register the appropriate year level that your child/ren are in so that any year level specific messages can be sent directly to you, such as the time buses will return from excursions, etc. Please note that if you have already registered for TiqBiz you will need to update the year level for your child/ren this year so that you get the correct notifications and not those for the year level that your child was in last year.

PARKING, TRAFFIC MANAGEMENT & ACTIVE TRAVEL

A source of great frustration to drivers is the congestion and challenges that go with trying to drop-off or pick-up children directly in front of our school in Hayrick Lane. Please try to use active travel methods so that you and your children are not caught up in the congestion in front of the school between 8:45am and 9:00am or 3:30pm and 3:45pm. In next week’s Back-To-School kit you will find a detailed Fact Sheet from the Yarra Ranges Council with clear instructions about parking and traffic management around our school. I urge you to read this and follow the advice provided. As I said before, active travel is the best option for you and your children. You will never risk a fine by getting caught up in the traffic congestion outside the school, your children will benefit from some daily exercise and the more children and families we have on the streets the safer our community is. It is always safer when children are in groups or in pairs. Children who use some form of active travel get to school each day and arrive exercised, socialised and much more ready to learn.

Last year we introduced the ‘Free Range Kids’ active travel project in conjunction with the Yarra Ranges Council. We will continue to encourage families to make use of the walking routes to Bimbadeen that worked so well last year. These are identified by yellow chicken feet painted on the footpaths and have been checked and identified as safe routes for children to walk to school. This map is included in this week’s newsletter and will also be included in next week’s Back to School Kit.

DOGS IN THE SCHOOL YARD

We ask that parents be aware that there are some people in our school, big and little, who are uncomfortable around dogs and ask that all dogs are always on a lead and under control when they are brought into our school. Thank you for your consideration of this.

“Reaching for the Heights”
STUDENT ACCIDENT INSURANCE AND PRIVATE PROPERTY BROUGHT TO SCHOOL

Parents and guardians are reminded that the Department of Education and Training (DET) does not hold accident insurance and parents/guardians are responsible for paying the cost of medical treatment for injured students including the cost of ambulance attendance or transport. There are student accident insurance policies available for parents from commercial insurers. We do not make any recommendations on these policies and parents are encouraged to find a suitable personal accident insurer in the Yellow Pages or online. Similarly the DET does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property. Please be assured that we will take all care should a child bring a particularly valuable item to school however we cannot be held responsible. If a child has to bring a phone or other valuable items to school we ask them to hand them to the teacher or the office for safer keeping than just in the child's school bag. We have a Bring Your Own Device (BYOD) iPad program in Year 6, (that will be offered to Year 5 students later in the year after they have had the 1:1 iPad program in their class). To keep these valuable items safe the policy and practice with iPads brought to school is that they must be put inside the classroom as soon as they arrive in the morning and are put in their tubs or on their table. The iPads are not to be taken outside until the children leave at the end of the school day.

Final-Leigh:

"Patience is not simply the ability to wait - it's how we behave while we're waiting." (Joyce Meyer)

**stay safe and have fun on the internet**

- Be careful who you trust online. Making new friends can be fun, but there’s a chance that they may not be who they say they are.
- Set your profile to ‘private’ so your personal information is kept secret.
- Don’t open messages from people that you don’t know. These could be nasty, contain viruses or be trying to sell you something.
- Always keep your password a secret.
- Tell your parents if you are upset by language, pictures or anything scary on the internet.
- If someone is nasty, offensive or makes you uncomfortable in a chat room, don’t respond and leave straight away.
- Think before you post information online—once posted it’s difficult to remove.
- Ask your parents before you give anyone on the internet your name, address or any personal details.
- Don’t accept any offers that seem too good to be true—they probably are.
