Dear Parents/Guardians,

We are pleased to announce that the Year 3 Camp will take place from Wednesday 6th to Friday 8th September 2017. Once again, this year our venue is Camp Marysville, located in the foothills of Lake Mountain just outside the beautiful town of Marysville. The venue promises to provide a stimulating educational and social experience that has long been associated with the Bimbadeen Heights' Year 3 Camp program. The camp offers a broad, exciting variety of activities designed to engage our diverse group of students.

This letter is not asking for any forms to be filled in or payment to be made. It is purely to inform you about the camp and to give you an idea of the timeline.
