## PRINCIPAL'S REPORT

### WELCOME BACK TO FOURTH TERM

We have certainly hit the ground running this term. I commend the teachers and children for the smooth way that children have settled back into their learning routines.

### STAFF NEWS

As we move towards the end of the year in Term 4 we often become aware of staffing changes for the following year. I have very mixed feelings to announce that our Chinese Teacher, Miss Becky Liu, will be leaving us at the end of the year to take up a position at Maranatha Christian College in the South East of Melbourne. Liu Lao Shiu (Becky) has been with us for three years and has done a great job leading our Chinese language program here and helping with our sister-school visits. She has become a valued member of the staff team and I am sure will always take a little bit of Bimbadeen with her wherever she teaches in the future. Liu Lao Shiu will definitely be missed next year.

Related to this is the fact that I am pleased to announce that our original Chinese teacher, Mrs Sarah Cherry, Cherry Lao Shiu, will be returning from Family leave next year. It will be great to have Sarah back leading our Language Other Than English (LOTE - Chinese) program and building on the work of Becky.

Another important piece of staff news is that our School Chaplain, Mr John VanderVelde, will be away for the next six to eight weeks as he is having some surgery. We wish Mr Van a speedy and strong recovery and look forward to his return, hopefully before the end of the year all being well. I am pleased to announce that we have a replacement for Mr Van who will be at our school for two days each week while he is away.

Mrs Ali Hardaker is an experienced School Chaplain who also works part-time at Mulgrave PS. Ali will usually be at our school on a Tuesday and Wednesday however will be here on Monday and Tuesday next week. Ali can be contacted via the school office or by speaking to your child's teacher or our Wellbeing leader, Cath Buckland.

## PRINCIPAL'S REPORT CONTINUED

### 2019 SISTER SCHOOL VISIT

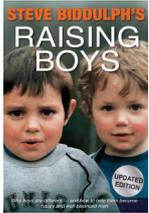

A reminder to Year 5 parents that Expressions of Interest for children to be part of the visit to our sister-school in China in April next year are now being called for. Information was provided prior to the school holidays and to ensure that all families have plenty of time to consider the amazing opportunity we have **extended the due date until next Thursday October 25.**

In addition to our Chinese Teacher, next year Mrs Sarah Cherry, (see above), the other teachers leading this group next year will be Mrs Liz Nicholson and Mrs Tracey Johansen. If parents have any questions about this trip please do not hesitate to speak to myself or any of the teachers who have been part of this trip in the past, (Cath Buckland, Melinda Ruscitti, Jemima Gange, Matt Laws or Becky Liu).

### STEVE BIDDULPH PRESENTATION

In conjunction with Eagle Health and the Lilydale Football and Netball Club, we will screening a talk by Steve Biddulph on the topic of 'Raising Boys here at the school next Thursday evening, October 25<sup>th</sup> from 7PM. Steve is one of the world's best on this topic and you will not regret coming along, especially if there are boys in your life. I do hope that you can make it along as I am sure you will not regret the investment of a couple of hours of your time.

### 2019 ENROLMENTS

If you are planning on moving house and know that your child/ren will not be attending Bimbadeen Heights in 2019 it is very important that you drop us a note to let us know including the name of the school your children will be attending.

On the other hand if you have a child who will be attending our school next year that we do not yet know about yet, or you know of someone who does, can you please let us know and ensure that we get an enrolment form for them immediately.

As we plan for the school structure and class lists for next year it is critical that we know the children who will be attending Bimbadeen.

### 2019 PLANNING

Whilst on the topic of planning for next year I would like to devote a few paragraphs on the topic of 2019 class structures, teacher placements and allocating children to classes. It is a complex and exhaustive process that we diligently work through so that we have a school structure that best meets the needs of all children.

To do this we consider a number of factors that impact on each child's success at school.

The people who know your child best in the school environment are the teachers. It is also these people who will be working with the children in the school environment next year so they are given the main responsibility of developing the class lists. They will be striving to create classes that are balanced in terms of gender, academics, behaviour, special needs and friendships.

Nobody knows your child emotionally better than you do and we are most interested in your insights as to what you think will help your children achieve their best next year. To this end parents are invited to write to me outlining what you think are important factors that we need to take into consideration when placing your child in a class for next year. I will be accepting these requests until the end of this month, Wednesday, October 31.

(You may also email me at [johansen.leigh.lb@edumail.vic.gov.au](mailto:johansen.leigh.lb@edumail.vic.gov.au).) Requests received after this date may not be able to be considered as the process will be advanced and late changes have a 'domino effect' that can impact on other children's class placement. Do not wait until the class structure is published before you send me your considerations.

I encourage you to write to me even if you have spoken to your child's teacher earlier in the year or have put your requests to the school in past years. Do not assume that *'the school will know'*. It is worth considering that issues that may have been a concern at an earlier time in a child's schooling may not always continue to be so as the children grow up and mature. Keep this in mind as you make your requests. I suggest that if it is important to you, make sure you put it in writing so we can be certain we are considering your input.

Please note that it is not appropriate to include requests relating to particular teachers. Your requests will be shared with the teachers to assist them to develop the class lists. If you do have particular, confidential, concerns that you do not wish to be shared with the teachers, please make an appointment to speak to either myself, or assistant principal, Garry Fowler.

You will understand that with so many factors to consider and the complexities of the process, it is impossible to accommodate every parent request. Multiple requests and multi-layered requests are even more difficult to accommodate.

For example; *'Could my child be separated from this child and this child and be with this child and this child and be in a class with a shared teacher please'*.

Be assured however that each and every factor in our decision making for next year, including your insights and requests, are given our utmost attention.

One important part of this process is that children are given the opportunity to identify up to five children who they would like to be with next year. It is explained to them that the teachers will work hard to ensure that every child has at least one of these children in their class next year. We go to great lengths to explain to children to think very carefully about the names that they write down so they don't just write the names of the person they played with that day or just the name of the person who invited them to their birthday party recently. Sometimes children write down the name or names of children they would like to be in class with even though they may not play with them. This can be

influence or someone they would like to get to know.

This is not a bad thing and can be a sign of maturity and growing independence as they may be trying to be less reliant on one or two particular children. (One of the most common complaints we get is that a child is separated from all their friends. I can assure you that this is extremely rare and if it does happen we consult with the parents to ensure we are making the best placement for their child.) I encourage you to speak to your children about this process to reinforce the importance of the names of the children they write down.

This term teachers spend a lot of time preparing children for the transition to the next level of schooling and talk to them about this to reassure and help them understand the process. For example, teachers explain that having all of their friends in class together is not as important as they may think, and is sometimes even detrimental to their learning success and what they may have heard about a particular teacher from an older brother or sister may not be the case for them.

Teachers also remind them of past successful transitions and how this is part of growing up and that we have confidence that they are ready to manage this next transition just as successfully as they have managed transitions in the past.

## WORLD TEACHERS DAY

Next Friday, October 26, is when we in Victoria celebrate World Teachers Day. This is the communities chance to thank the teachers and acknowledge the work that they do. Everyone, no matter how old, can remember a great teacher who made a difference in their lives.

Please take the time next Friday to say thank you, if not to that specific teacher, to your child's teacher as I can assure you it will be greatly appreciated and will make their day.

## PAST-STUDENT GALLERY

We are very proud of our past-students and like to publicly acknowledge their successes. Unfortunately, in Primary Schools, we do not often hear about the significant achievements of our past-students. We have proudly displayed the photos of students who have played AFL football at the highest level as their achievements are quite well known. Achievements in other fields of endeavour are not often as public. In our new school I would like to extend our display of successful past-students. As an educational institution it is appropriate that we acknowledge past-students who have pursued their studies right through to PHD level. I would love to hear about them, where they studied and what their area of research was.

There may also be other past students who have achieved to a very high level and deserve our recognition, for example, represented Australia at their chosen sport or achieved national recognition in the arts. I would love to know about them as well. If you know of anyone who fits these categories please let me know.

## CHANGE TO THE CHRISTMAS FAMILY FUN NIGHT

You may have seen the special notice sent home last week regarding the new approach for Christmas Family Fun Night scheduled for Thursday December 13<sup>th</sup>. This new idea came through the Fund Raising team, the group who have always organised this event, as a way to make the evening a special event with more than a sausage sizzle and children singing some Christmas songs. There are costs involved in organising a bigger and better event and hence the need to factor in a cover charge for families. School Council discussed this change at length before giving it their approval. The \$10 per family cover charge, regardless of the size of your family, will cover a range of activities for children that have not been provided in the past.

There will be more food options available than in previous years however the option for families to bring their own food and drink is still available.

(As this is a Primary School event it will be alcohol-free.)

Thank you to the many families who have already purchased their family ticket for this event. We hope that it will be another successful 'new' event such as the Colour-Run, also a new event this year, was.

## INCLUSION AND DIVERSITY POLICY

Inclusive education means that all members of every school community are valued and supported to fully participate, learn, develop and succeed within an inclusive school culture. This includes making reasonable adjustments for students with disabilities and additional learning needs. All Bimbadeen staff have just completed the Disability Standards for Education eLearning course and included in the newsletter is an Inclusion and Diversity Policy based on Department guidelines. We welcome any feedback on this policy from the school community prior to the policy being considered for implementation by the policy and planning committee, staff and the school council.

## Bimbadeen Heights P.S. 5011 INCLUSION AND DIVERSITY

Convenor: Garry Fowler  
Committee: Cath Buckland, Leigh Johansen

### **Definition:** Inclusion and diversity

Bimbadeen Heights is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

**Personal attribute:** a feature of a person's background or personal characteristics that is protected by State or Commonwealth anti-discrimination legislation. For example: race, disability, sex, sexual orientation, gender identity, religion etc.

Bimbadeen Heights acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others.

### **Purpose:**

The purpose of this policy is to explain Bimbadeen Heights's commitment to making sure every member of our school community, regardless of their background or personal attributes, is treated with respect and dignity. Bimbadeen Heights strives to provide a safe, inclusive and supportive school environment for all students and members of our school community.

## **Broad Guidelines:**

Bimbadeen Heights will:

- ensure that all students and members of our school community are treated with respect and dignity
- ensure that students are not discriminated against and where necessary, are accommodated to participate in education and all school activities (eg schools sports, concerts, extra curricula) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students.

Bullying, harassment and other forms of inappropriate behaviour targeting individuals because of their personal attributes will not be tolerated in our school community. Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed. Bimbadeen Heights will take appropriate measures, consistent with its *Student Wellbeing and Engagement* and *Bullying* policies to respond to discriminatory behaviour or harassment at our school. Bimbadeen Heights also understands that it has a special obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners.

For more information about support available for students with disabilities, please refer to our school's *Student Wellbeing and Engagement* policy.

On Monday's and Friday's during Term 4, icy poles will be on sale for \$1.00 at lunchtime (1.45pm) in the BER.

YUM!

# Aussie's of the month

Foundation: Beau - 0BD

Beau is a thoughtful and respectful boy who has settled into his life at Bimbadeen well. He is quick to offer help to others and tries his best to do the right thing (even when no one is looking). Beau is a responsible messenger and has become much more confident when speaking to new adults around the school. Beau has a fantastic sense of humour and bounces around the classroom with a contagious enthusiasm for life. We are excited to see the wonderful person Beau will become!

Year 2:  
Alysia - 1/2N

Alysia is a deserving recipient of the Aussie of the Month award. Her gentle, kind nature is appreciated by her peers and teacher and she can always be relied on to help others, without being asked. Alysia strives to do her best in all aspects of school and continues to grow in confidence.

Congratulations Alysia!

Year 1: Mason - 1/2N

Mason is a most worthy recipient of the Aussie of the Month award. He demonstrates all our school values in and outside the classroom. Mason can always be relied on to do the right thing and does this in a caring, respectful way. He is hard working and organised and we value his great ideas.  
Congratulations Mason!

Year 3: Jasmyn - 3/4M

Jasmyn is a hardworking and friendly member of 3/4M. She tries her hardest at all aspects of school and is particularly proud of working towards her reading goal. She has adapted well in the class and yard with her broken foot and has loved hopping around the classroom! Jasmyn has a great determination to succeed and we look forward to the remainder of the year with her.  
Well done Jasmyn.

Specialist –  
ART: Kye - 6ML

Kye is a wonderful student who always brings his bubbly personality to Art. This often rubs off onto others creating a sense of wellbeing in the room.

Kye has excellent school values and in particular displays a high level of resilience and compassion. He possesses interesting artistic ideas and is always willing to share them. Kye is a pleasure to teach.

Year 4: Ethan - 3/4M

Ethan is a caring, hardworking member of 3/4M. He has a wonderful work ethic which will stand him in good stead for the future. Ethan's determination to succeed is evident and the extra work he puts in at home is certainly paying off. He is always thoughtful towards his peers. It has been a pleasure teaching Ethan this year.  
Well done Ethan.

Year 5: Eloise - 5MF

Eloise is a friendly and helpful student who has an admirable work ethic. She persists with all tasks and is a real 'quiet achiever' in class. Eloise is always polite and respectful to her teachers and her peers. Her kind and generous nature makes her a popular member of the grade and a worthy recipient of the Aussie of the Month award.

Year 6: Wil - 6ML

Wil is a friendly and reliable student who approaches each task with a positive attitude. He works conscientiously and persistently to complete set tasks to the best of his ability and is always organised. Wil works well with all members of the class and is respectful and polite at all times. His caring nature and helpful attitude make him an asset to the grade.

Congratulations on being Aussie of the Month Wil.

## COLOUR RUN

Our first ever Colour Run has finished with our total profit being a huge **\$15,481.14 !!**

Amazing!

We hope your children loved their prizes and have fond memories of the Colour Run. With the money raised we are able to purchase new air conditioners just in time for the warmer weather to arrive. Another big thank you to all of you who fundraised and helped on the day.

Kaydee and Chloe S were the top fundraisers and received a medal from the School Fun Run company at Assembly.

Thank you,  
Fundraising Committee

## PREMIERS READING CHALLENGE

Congratulations to all who completed this year's Victorian Premier's Reading Challenge! Certificates, signed by Victoria's current premier Dan Andrews, MP, were handed out by classroom teachers during the week.

This year we were able to register all students automatically and only required permission slips to be returned if permission was granted for individual student names to be published on the online honour roll. Out of our 495 students we had 363 students complete the challenge which was amazing!

In total 10,490 books were recorded as being read by our students which approximates to an average of 22 books each. Obviously there were many who read more than this and others who read somewhat less! We had the privilege of awarding a student in each year level who recorded the highest number of books they had read on the Reading Challenge website during the Challenge period.

The following students received a very special Reading Challenge lapel pin to acknowledge their excellent reading records:

Foundation:	Luke F (0BD) – 81 books
Year 1:	Hannah B (1/2S) & Phoebe L/P - 100 books)
Year 2:	Skyla Taylor (1/2S) – 100 books
Year 3:	Sanya Rajpal (3/4K) – 51 books
Year 4:	Grace Downs (3/4W) – 100 books
Year 5:	Owen Le Brun (5SB) - 60 books

A huge thank you goes to the parents and teachers who have once again supported our children in taking part in the Reading Challenge – we hope that you have enjoyed your reading and are beginning to develop that love of books that all great readers have.

Special acknowledgement this year goes once again to our wonderful Miss Ruscitti and Mrs Simpson - their Grade 6 students **all** completed the challenge with some of these children having completed the Challenge every year that they have been at Bimbadeen - that is very special! We can't wait until next year when we get to do it all over again – in the meantime happy reading everybody!!

# Regina Atkinson proudly supporting our local school community

As a Mooroolbark property consultant and former local student, I'm lucky enough to work in the area I grew up in. I know how important our schools are to the community. My son now attend my old school, Bimbadeen Heights Primary, and my daughter has followed my footsteps to Mooroolbark College. We have recently created a partnership where each sale that is affiliated with either of these great schools will receive a \$500.00 cash donation to the school of their choice. I look forward to working with the local community to help our schools continue their great work.

Mr Johansen, Principal,  
Bimbadeen Heights PS

The support that Bimbadeen Heights Primary School has received from Mooroolbark Professionals has been amazing and has been a practical example

of community support. Property Consultant, Regina Atkinson, donates \$500 to our school for every property sold through her from our Bimbadeen community. This has resulted in \$5,000 donated to our school. This money has contributed significantly towards our fund-raising projects such as providing a class set of iPads for our Year 5 students, new sports team uniforms for our basketball and netball teams, and will contribute to the cost of new replacement basketball towers. Regina has been very helpful and easy to work with as we have liaised with Mooroolbark Professionals to promote this program and build our local community.
