BUILDING PROJECT UPDATE

As we settle in to our new building we are already seeing work progressing on the ground works for Stage 2. Thank you all for your patience and understanding last week when they removed three Mod5 classrooms that had been here for about as long as anyone could remember! The rubbish that had accumulated underneath them was phenomenal and unfortunately blew around our school causing a real mess. The remaining Mod5 classroom near the library and running track had to be moved about 3 metres to the East to make room for the new building. This Mod5 building will be for our LOTE (Chinese) and Art classrooms once it is re-connected to all the services. This may take a few weeks and in the mean time our Chinese and Art teachers are delivering their lessons in classrooms or in the middle of the BER building.

When this second stage of our project is complete by the middle of next year, it will include four classrooms, an Art, Music and Chinese classroom as well as toilets and canteen. It will be a larger building than Stage 1 but will be of a similar design. There will be paths and landscaping to link the two new buildings.

As you may have already experienced, parking and access to the school is even more restricted during the construction of Stage 2. There are 4 car parking spaces that have been lost to provide access to the building site from Hayrick Lane. The pedestrian access from Hayrick Lane is now restricted to the main entrance near the office, the driveway in front of the hall that leads to the footpath around the hall, or the driveway next door to the Milk Bar. There is still access to the back of the school across, or on the footpaths around the oval, via the reserve on the corner of Devon Walk and Orrong Road.
We apologise for this inconvenience and thank you for your patience. It will be worth it in the end as we farewell the 'hi-viz' tradies and associated machinery and all the disruption and settle in to our new school from the middle of 2019.

ACTIVE TRAVEL

Please consider using the approved active travel safe walking routes for your children. These are identified by yellow chicken feet painted on the footpaths as part of our 'Free Range Kids' project. This will take vehicular traffic away from Hayrick Lane reducing congestion and associated hazards there whilst at the same time putting more children on the streets walking to school providing exercise and socialisation for the children. I believe it is a sign of a safe and healthy community where lots of children and families are on the streets walking to and from school.

EDUCATION SUPPORT STAFF APPRECIATION WEEK

Last week was Education Support Staff Appreciation week where we formally thanked all the non-teaching staff who make such an invaluable and indispensable contribution to our school. We had a special morning tea last Friday morning to thank them.

Our ESS Integration Aides support the teachers by working with individual children to support their learning. They are truly unsung heroes in our school and crucial members of this 'village' that helps raise children. Every day I am also personally grateful for the amazing office team that Garry and I work with. Bren, Adele and Emma are diligent, organised, thorough and discrete and have an ability to multi-task that is second to none. It is all too common that they will be tending to an injured child whilst answering the phone and helping another child/parent/staff member at the counter! Our ICT technician, our cleaner, School Chaplain and School Counsellors also support the education of our children at Bimbadeen and are most worthy of special mention. They manage to solve the most complex of issues, whether the issues be technical, social, emotional or hygienic!

All of these staff certainly make a significant contribution to our school and are valued team members who make our school a wonderful place to learn and work.

The following is a list of our Education Support Staff who we appreciate all year round, not just during ESS Appreciation Week:

Name	Support Role
Adele Gates	Admin. Assistant
Brenda Michael	Business Manager
Brian Dalton	School Counsellor
David Polan	School Maintenance
David Rosendale	School Maintenance
Emma Chandler	Admin. Assistant and Uniform Sales Manager
Greg McCallum	School Cleaner
Helen Thomson	Integration Teacher Aide
John VanderVelde	School Chaplin
Judy Todd	Integration Teacher Aide
Dianne White	Psychologist
Mary DeGraaf	Speech Pathologist
Amber Thomson	Integration Teacher Aide
Jenna Fowler	Integration Teacher Aide
Ken Worth	Computer Technician
Liz Downs	Integration Teacher Aide
Louise DeGraauw	Integration Teacher Aide
Mandy Riley	Language Support and Teacher Aide
Samantha Tallentyre	Integration Teacher Aide
Stacey Eley	Integration Teacher Aide
Tracey Price O'Reilly	Integration Teacher Aide
Vicki Cuskelly	Integration Teacher Aide
Zac Gates	Integration Teacher Aide

If you see one of these special people please also thank them for the contribution they make to our school.

AUGUST SCHOOL COUNCIL MEETING

School Council met last week and received reports from the President, Principal and various sub-committees. The new Attendance Policy was endorsed. (Please see information elsewhere in this week's Blaze regarding some changes to our student attendance policy and practice and check out the new policy on our website.) Finance committee has started to consider the 2019 Parent Payments and are planning on having details sent out to all families before the end of this term.
There may be a small increase however School Council is determined to ensure that the costs to parents are only for the Essential Education Items that parents are expected to provide for their children and that the school's purchasing power ensures that we get the very best price possible for the quality learning materials all children will use and take home.

Finance committee also approved the seeking of quotes for the installation of air-conditioners in the new building. (You may be surprised to know that it has been the policy of successive Victorian governments that new school buildings South of the dividing range in Victoria are not built with air-conditioners. We believe that this is an outrageous policy that will put our children in excessively hot classrooms. We therefore feel obliged to install air-conditioners ourselves at our own expense.)

We hope that we can have air-conditioners installed before the summer.

School Council considered the results of the School banking survey and voted to write to the Commonwealth Bank expressing our disappointment with their breach of trust and then communicate their response with parents who use the school banking service.

The next meeting of School Council will be on Wednesday September 19.

TOURNAMENT OF MINDS

On Saturday we have some of our brightest young minds competing in the Tournament of Minds at the Mount Lilydale Mercy College.

Alysha C (5SB), Myah K (5SB), Kaydee S (5MF), Sabrina L (6MS), Dylan N (6MS), Isla B (6ML) and Emmaline G (6MS) will be addressing an Arts challenge. Their presentation is based around musical theatre with the theme of 'Freedom'. They have been working together on this for about 10 weeks under the guidance and support of Ms Franks and Miss Dean.

We wish them all the very best of luck with this prestigious competition. If you would like to attend and support them, they will be performing in front of the judges, family and friends at 9:40AM.

SPECIAL VISITOR

On Monday this week we had a special guest at our school assembly. Associate Professor Larissa McLean-Davies, a senior lecturer and researcher in the Education Faculty at the University of Melbourne, returned to her Primary School. She spoke to the children about her school memories and of the teachers who inspired and encouraged her. Larissa has spent her lifetime learning and we are very proud that it was the teachers here at Bimbadeen who taught her to read and write. Larissa helped to present the Aussie of the Month awards and after school led a workshop for the teachers on the topic of writing and the need for the development of 'Relational Literacy'.

PARENT OPINION SURVEY - REMINDER

For those of you who received an invitation to complete the Parent Opinion Survey this year please log on and compete this before the end of this weekend. The survey is due to close on Sunday August 26th. We currently have only had 29 surveys completed.
C'mon Bimbadeen families! Surely we can get a better response rate than that!

Final - Leigh

"Letting go means to come to the realization that some people are a part of your history, but not a part of your destiny."

ATTENDANCE POLICY

1. Contact details

There are times when we will need to contact you, including on the day if your child is absent and you haven't informed the school as to why. Do we have your most up to date contact details? If not, please contact the school on 9726 9989 or bimbadeen.heights.ps@edumail.vic.gov.au so we can update our records. Please include parent/carers' name, address, phone numbers, email address and emergency contact details. Please remember to contact the school if any of these details or your circumstances change.

2. Notify the school of your child's absence

Protecting the safety and well-being of children through the reporting and monitoring of absenteeism is the responsibility of both parents/carers and schools. Please remember to call the school on 9726 9989 or email at bimbadeen.heights.ps@edumail.vic.gov.au or log your child's absence using our Sentral Parent Portal early in the morning if your child is going to be away or late for school so your child's absence can be recorded correctly.
For further information on the processes and procedures our school uses to record, monitor and follow-up student attendance and absence please read our Attendance Policy on our website http://www.bimbadeenheightsps.vic.edu.au/policies/

3. Same-day notification of unexplained student absences

Our school will contact you via the Sentral Parent Portal as soon as practicable on the day if a student is not at school and you haven't notified the school as to why. If you are notified by the school that your child is away without a reason, please contact us as soon as possible by calling or emailing on 9726 9989 or bimbadeen.heights.ps@edumail.vic.gov.au to let us know where your child is. If we cannot reach you because we don't have your correct contact details (i.e.: message notification fail, disconnected number), then we will make contact with any emergency contact/s nominated on your child's file held by the school, where possible, on the same day of the unexplained absence.

Please remember it is your responsibility to contact us to provide an explanation for your child's absence from school, and where possible, please inform us in advance of upcoming absences.

We are exploring the use of SMS/text to contact parents/carers if their child is absent without explanation. We will let you know when this is set up.

4. New Attendance Requirements

If your child is sick or absent, you are required to notify the school as soon as possible on the day of absence, by Sentral, phone or email.

Notifying the school of your child's absence either prior to, or on the day that they will be away, helps ensure the safety and wellbeing of children and will fulfil your legal responsibility.

From the end of Term 2 2018, all Victorian government schools are required to contact parents/carers as soon as practicable on the same day of an unexplained student absence. If your child is absent on a particular day and you have not contacted the school to explain why, the absence will be marked as unexplained.

This system also promotes daily school attendance. Going to school every day is the single most important part of your child's education, they learn new things every day – missing school puts them behind.

The Bimbadeen Heights Primary School Attendance Policy which outlines the school's processes and procedures for monitoring, recording and following-up of student absences is available on our website www.bimbadeenheightps.vic.edu.au

Aussie's of the month

Foundation: Eliza T – 0BD

Eliza is a compassionate and respectful girl who has settled into her life at Bimbadeen well. She is quick to offer help to others and tries her best to do the right thing (even when no one is looking). We have enjoyed getting to see Eliza's quirky sense of humour and she tries to do her very best work. Well done, Eliza. We can't wait to see the wonderful person that you'll become!

Year 1: Phoebe L – 12S

Phoebe is an outstanding student who is a very special member of our classroom. She is always kind, considerate and willing to help others demonstrating respect at all times. Phoebe is eager to learn and displays excellent work habits and approaches to learning tasks. We are very proud to have you in 1/2S Phoebe and congratulate you on your positive outlook in all that you do.
Well done!

Year 2:
Kobe H – 1/2S

Kobe is to be commended for his hardworking and positive attitude towards every aspect of his schooling. He demonstrates our school values of respect, integrity, resilience and compassion both in and outside the classroom at all times. Kobe is a great role model to his peers, a considerate friend and re-spected by all.

Congratulations Kobe!

Year 3: Bethany V – 3/4W

Bethany is a conscientious and co-operative student, who can always be depended upon to perform any task that is requested to a high standard. She exhibits a love of learning and a strong desire to improve in her areas of weakness. Over the semester, Bethany has displayed excellent resilience to recover confidently from difficulties with persistence and optimistic thinking. Congratulations Bethany, keep up the brilliant effort!

Year 4: Troy C – 3/4W

Troy is a valued member of 3/4W and tackles each new day with a positive attitude. His resilience to recover from challenges and make every effort to improve himself is to be commended. He has made a conscious effort to demonstrate behaviour that sets the standard for our class. Troy has a cheery and focused demeanour that has made him a role model and friend to many in our classroom.
Congratulations Troy, keep up the wonderful work!

Specialist –

Music: Keira L – 5

Keira is a cheerful student who brings enthusiasm and joy into Music sessions. She listens carefully and works brilliantly in group situations, often encouraging others and providing quiet leadership. Keira is always respectful and does her best at all times. It is a pleasure to teach her and she's a shining example of one who upholds all the school values - she is a beautiful role model.

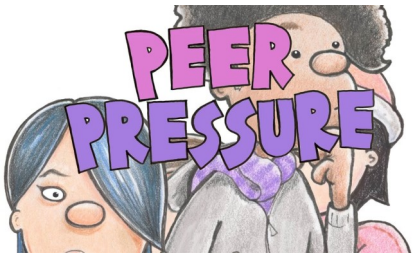
Year 5: Sienna R – 5SB

Sienna is a friendly and caring member of 5SB. She respects others and displays integrity as she is always kind and helpful without being asked. Sienna will work with anyone in her class and always offers to play with those who are on their own in the playground. She is an absolute delight to teach. Well done Sienna!

Year 6: Cam S – 6MS

Cam continuously demonstrates his beautiful manners as he is polite, respectful and courteous to staff and students. His cheerful morning greetings are very much appreciated, as is his compassionate and empathetic nature. Cam's motivation and persistence with his school work is commendable and we look forward to seeing this continue. Congratulations Cam, we're proud to have you in 6MS.

CHAPLAINS CHAT



Let's look at how Peer Pressure can affect young people.

Positive		Negative
Stops and thinks	YOU	Doesn't think of consequences
Makes good decisions	CAN	Does what others want, copies work, talks in class
Takes action to avoid trouble	MAKE	Always ready to join in trouble, tells lies.
Uses positive peer pressure	A	Uses negative peer pressure, teases others, leaves people out.
A person who is respected, trusted and gains privileges	CHOICE	A person who is not respected, not trusted and loses privileges.

What Parents can do
Negative peer pressure

- A good relationship with your child is the best insurance against peer pressure
- Talk directly about peer pressure - don't avoid it, hoping it will just go away
- Teach them useful phrases to use to cope
- Avoid always talking about how bad their friends are - invite their peers to your house
- Encourage positive friendships
- Listen to them without lecturing

Chinese Student visit 2018

"I loved hosting a Chinese student this year. It was a lot of fun and I got to know about their culture. This was my 6th time hosting a Chinese student and I have loved all of them. This year my Chinese student was called Precious and she was very funny. She made me laugh a lot. I had an amazing time hosting her." Hayley L

"Hosting a Chinese student is an amazing experience. I've hosted many and loved showing them our culture and what we do in Australia. I loved getting to know Connie and all her friends." Rhianna G

"I had the best time hosting Johnathan. He hosted me in China and it was awesome. My highlight was going to Air Action because I love trampolines. I hope I will meet Johnathan again sometime soon." Jesse J

"Hosting is an awesome experience. You get to try new things. Tracy, my brother, Harrison, and I had an amazing experience. It was very fun. We went on the Yarra River tour and we learnt new things." Grace T

"Hosting Julie was the best experience of my life. She was my host from China and I had heaps of fun with her, so I made sure that she had fun with me too. I loved going to Air Action with all of them. It was absolutely amazing!" Stephanie P

"Hosting a student from China is great. Eric and I had lots of fun. We saw things and he said he really loved it." Owen W

"I hosted Alice, because she hosted me when I went to China. My highlights were archery and playing at Air Action. Alice really loved them." Kiana

"The sister school visit was so fun. I hosted Wade. We had a great experience. My highlight was Air Action and showing Wade Australian things." Oliver W

"I enjoyed everything but my favourite activity was playing Dodgeball at Air Action. Wade and I exchanged gifts of puzzles and stamps. It was a fun week." Dylan H

"This week was very fun. My favourite part was with the Chinese student and Air Action! I also had lots of fun at archery and the zoo." Will S

"I hosted Cindy and Renata, two really nice girls. My favourite part of hosting was going to Air Action and the zoo. I really enjoyed hosting them" Emmaline G

BIMBADEEN VALUES

Congratulations to the following children for winning an award for displaying examples of the values at Bimbadeen:

- Resilience - Lucy S (1/2N) - for trying so hard during Maths

6MS Radio Show

Being on the radio show was an awesome experience that I loved. I was nervous at the start but as we started reading more of our script I got used to it. It was pretty hard writing the script (it was 11 pages) but once we finished Abbey, Gracie and I were very happy with it. I loved the Radio Show.
Ella

I really enjoyed the radio show. It was a great opportunity to learn and understand how people talk on the radio. We did a few jokes and had a couple of laughs and I enjoyed talking into a microphone and choosing songs. I had most of my family listening and they all said how well Ella, Gracie and I did. We loved it!

By Abbey

When we first arrived at Yarra valley F.M I was really nervous. We practised our scripts and headed in. After we got set up we moved the microphones around to fit our size and went on air. While we were on air we played some music and told some jokes. One of the jokes was this "what do you call a cheese that is not yours?" "nacho cheese!" We also talked about ourselves. I felt really nervous before we went on but when we were on air I didn't feel nervous anymore. I loved being on the radio so much. It was a great experience.

Dear Parent/Guardian,

We will be holding the Bimbadeen Heights PS *CUA Colour Run* as a major fundraising event this year on **Friday 7th September from 2.30-3.30**. We're doing it to raise much needed money for **our new school facilities.**

About the Program

The *CUA Colour Run* promotes healthy and active lifestyles while helping us raise funds! It's all about participation, with students treated to a great day as a reward for their fundraising efforts. Family support is key to our fundraising success and we encourage everyone to get involved.

How Does My Child Fundraise?

Firstly, go to schoolfundraising.com.au and create a student profile page. Everything to do with your fundraising revolves around this page. Once you have completed this, read through your Sponsorship Form, which has instructions on how to raise money and order prizes.

Students who raise just $10 will receive a reward for their effort. The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without adult supervision, and we encourage you to reiterate this at home. The best people to ask for sponsorship are people you know (e.g. friends, family, work colleagues and neighbours).

Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of $120. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at schoolfundraising.com.au and share your online fundraising link. Your child has 8 weeks to fundraise!

Getting Involved

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the *Bimbadeen Heights PS CUA Colour Run*. Don't forget a gold coin donation to participate. If you would also like to volunteer to help on the day, please contact Stacy Brookes or Bree King on the details below.

Regina Atkinson proudly supporting our local school community

As a Mooroolbark property consultant and former local student, I'm lucky enough to work in the area I grew up in. I know how important our schools are to the community. My son now attend my old school, Bimbadeen Heights Primary, and my daughter has followed my footsteps to Mooroolbark College. We have recently created a partnership where each sale that is affiliated with either of these great schools will receive a $500.00 cash donation to the school of their choice. I look forward to working with the local community to help our schools continue their great work.

Mr Johansen, Principal,
Bimbadeen Heights PS

The support that Bimbadeen Heights Primary School has received from Mooroolbark Professionals has been amazing and has been a practical example of community support. Property Consultant, Regina Atkinson, donates $500 to our school for every property sold through her from our Bimbadeen community. This has resulted in $5,000 donated to our school. This money has contributed significantly towards our fund-raising projects such as providing a class set of iPads for our Year 5 students, new sports team uniforms for our basketball and netball teams, and will contribute to the cost of new replacement basketball towers. Regina has been very helpful and easy to work with as we have liaised with Mooroolbark Professionals to promote this program and build our local community.

If you are looking to sell and would like to support your local school contact Regina Atkinson 0417 565 624.
