Inclusion and diversity

The Bimbadeen Heights PS student body is composed of children with a diverse range of cultural backgrounds, ethnicities, spoken languages, religious and faith based beliefs, gender identities, sexualities, mobility, physical and learning needs. Our wider parent and family community reflects the diversity within our classrooms.

Bimbadeen Heights PS is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Bimbadeen Heights PS acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Bimbadeen Heights PS we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Bimbadeen Heights Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (e.g., sporting activities, excursions, incursions, whole school events, assemblies and camps) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bimbadeen Heights PS values Integrity, Respect, Resilience and Compassion and underpins our School Wide Positive Behaviour Support framework with these values. We ensure that all children are included in regular STARS and Respectful Relationships lessons with a variety of their peers from across the school and include regular prosocial wellbeing lessons in our planned activities for each week.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Bimbadeen Heights PS. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students who are involved in behaviours identified as bullying or harassment are supported to repair their relationships with their peers or the school community through the Restorative Practices framework. Records of such anti-social behaviours are kept on the Sentral database.

Reasonable adjustments for students with disabilities

Bimbadeen Heights PS also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact our Wellbeing Co-ordinator on 9726 9989 for further information.
