

## 2024 Year 2 Parent Payments

3rd October 2023

Dear parent/carer,

Bimbadeen Heights Primary School is looking forward to another great year of teaching and learning and would like to advise you of Bimbadeen Heights Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to continue to provide a differentiated curriculum that responds to the learning of all students, provide essential learning resources to students, renew, and enhance the provision of digital technology throughout the school, and improve assessment practices to ensure teaching is targeted to a student's next learning step.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carer voluntary contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children.

**Thanks to the generosity of our parents and carers who made contributions** to our programs this year, we have been able to maintain our building and grounds and make continued improvements, provide high quality programs in our classrooms and across our specialist subject areas, and provide specific subject materials and equipment to support the learning experiences of our students.

In 2023, parent and carer contributions have supported the provision of curriculum consumables, materials and equipment for classroom and specialist programs. They have also enabled us to purchase high-quality literature to provide mentor texts for our students across all literacy programs, update our school's library books and resources, replace whiteboards in classrooms, and upgrade our play spaces for our students including replacing the goal posts on the school oval. We have also installed CCTV in our outdoor areas to monitor our grounds and deter increasing vandalism to our buildings and grounds.

In 2024, we would like to purchase additional technology equipment to support teaching and learning in our classrooms and specialist programs and provide further high-quality literature materials to support our teaching and learning programs. We would also like to provide additional hands-on materials for classroom and specialist programs and specific materials to support our mathematics programs. Parent curriculum and other contributions also provide ICT devices, online subscriptions for our students, resources for wellbeing programs and first aid, along with school ground maintenance and improvements.

If you have not been able to make contributions, **please consider contributing to support the continued development and provision of high-quality programs, materials, and resources to support our students and assist them to reach their full potential.**

Please note that a separate parent payment form must be completed for each child for their year level in 2024. Voluntary payments are per student. If you choose to make voluntary payments to Bimbadeen Heights Primary School, please return this form and payment by the 11th December 2023 to help us budget for 2024, however voluntary payments can be made at anytime throughout the year.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Adele Gregson  
Principal

Kate Hession  
School Council President

# PARENT PAYMENTS POLICY

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
